Hemet Model Masters Newsletter

December 2021

President's Message

Hello fellow club members,

Hello and Merry Christmas. Well Building season (Winter) is upon us. And I for one have been letting the Balsa dust fly. I've been working on a Mig 15. I've scratch built wings for the EXCALIBUR PLUS. And I started building a 35% G202 last week and I'm about 45% completed. Trying to have it ready for covering by the end of next week. Next on the building board is two 40% L19 Birddogs. I have really enjoyed building in my new work shop. It's nice to have the room to be able to move round without smacking into something. On to club business on December 4th we had our Christmas party and toy drive. We had food and drinks and raffled off two Airplanes one a 28% Extra 300 and a Japanese Zero. We raised a good number of toys for some needy kids and had a good time doing it. We are planning a FUNFLY for February or March. Get ready we will have fun flying events that any skill level can participate in. The idea is to have fun and lots of it. I will list the flying challenges in next month's newsletter. Like all of you December is a hectic month for me. So I hope you all have a very Merry Christmas and a safe and Happy New Year. All my very best and warmest wishes to you and your families.

See you at the Field !

Carl

**THE NEXT GENERAL MEMBERSHIP MEETING WILL BE HELD
DECEMBER 18TH AT 9:00 AM AT THE SIMPSON FIELD**

ELECTIONS FOR 2022 BOARD MEMBERS AND OFFICERS ARE UNDERWAY AND BALLOTS ARE DUE BY END OF DAY SATURDAY, DECEMBER 18TH

A copy of the ballot is included on the following two pages.

Ballots can be given to any current Officer or Board Member. You can also email them to elections@hemetmodelmasters.net. Also, you can bring them with you to the HMM General Meeting on December 18th. After that, no further ballots will be counted. The results will be announced the following week. In addition, you can call Steve Staudenmeir at (818) 590-5929 and he will accept your vote over the phone.

Please note that the use of the official ballot is optional. If you like, you can write the people you are voting for and the positions (office or board member) along with your full name or AMA number in an email or in written form and submit as described above. Ballots received after the deadline or illegible so that membership cannot be validated will not be counted. In order to vote, you must be an active member of the Hemet Model Masters club. If you have any questions, please send an email to info@hemetmodelmasters.net or contact an officer or Board Member.

CLUB DUES ARE DUE FOR 2022 AND WE WOULD APPRECIATE YOUR PROMPT PAYMENT

Renewal dues for 2022 of \$100 are due and we would appreciate your payments at your earliest convenience. Some members have volunteer credits which reduces their amount due by \$20 for each volunteer event (maximum credit of \$40). If you have any questions please contact Steve Staudenmeir at (818) 590-5929. You can mail in your dues to Hemet Model Masters, PO Box 754, San Jacinto, CA 92583 or use PayPal. PayPal Info; hemetmodelmasters@gmail.com (friends and family no fee). If you use regular PayPay add \$5.00 to cover fees.

HEMET MODEL MASTERS GENERAL MEMBERSHIP MEETING

Minutes for November 20, 2021

Meeting called to order by President Carl Landou at 9:06 AM

13 members were in attendance.

There was one guest, Allen Williamson from the Coachella club at the meeting.

A motion was made by Rodney Luker to approve last months minutes as published in the newsletter and seconded by Lou Renteria. The motion was approved.

The Treasurer's report was given by Stewart Robinson. A motion was made by Dave Kennedy to approve the Treasurer's Report and seconded by Larry Mason. The motion was approved.

The status of the lawsuit was briefly discussed. There was a settlement conference on November 19th. The judge involved instructed the club not to discuss it with the membership.

Nominations were received for various Officer and Board positions from the membership in attendance. Nominations were as follows-

Carl Lindou—President
Vice-President—Rodney Luker
Secretary—Steve Staudenmeir
Treasurer—Garrison Rios
Safety Officer— Howard Hibbler / Ron Schneider

Board Members—
Dave Kennedy
Larry Mason
Kevin McDonald
Richard Lawrence
Lou Renteria
Ron Schneider

The Christmas Fun Fly and Toy Drive will be held on Saturday, December 4th and lunch will be served.

There was a discussion for why more people aren't turning out for meetings, etc. Some of the reasons mentioned were no raffles, no donuts, and the meetings aren't fun. The Board will take this under advisement.

For show and tell Ron Schneider displayed his Starfire EDF jet 120mm.

There was no raffle.

The meeting was adjourned at 9:51 AM.

HEMET MODEL MASTERS BOARD MEETING

Minutes for December 6th 2021

Meeting called to order by President Carl Lindou at 7:04 PM.

Club Officers and Board Members Present — Carl Lindou, Mario Muniz, Stewart Robinson, Richard Lawrence, Kevin McDonald, and Dave Kennedy.

Rodney Luker and Garrsion Rios were in attendance as guests at the meeting.

We received 40 donated toys at the Fun Fly held on December 4th. A local toy store donated to the event as well.

Discussions were had regarding transitions in responsibilities due to incoming club officers. Garrison Rios will be taking over Treasurer responsibilities from Stewart Robinson who is vacating the position and also Larry Mason will be serving as Member Services Director including collection of club dues, issuance of membership cards, etc. We appreciate Garrison's and Larry's willingness to step up and take over these responsibilities.

A discussion was held regarding feedback regarding attendance and monthly club meetings and the need for more fun. The board decided to allocate a budget of \$200 per meeting for raffle prizes (including gift certificates, etc.) Rodney Luker will take responsibility for securing raffle prizes and Garrison Rios will reimburse Rodney accordingly. Carl Lindou committed to bringing donuts to the general meeting. A fun fly will follow each meeting. We will make an effort to get information out further in advance.

No new info was available regarding the lawsuit.

The meeting was adjourned at 8:00PM.

Safety At Club Flying Sites

Starting of any engines is north side of yellow line, aircraft facing runway. No taxiing in the pits and staying within established perimeters , exceeding 400 ft ceiling. We have full scale aircraft overhead all the time and it only takes ONE incident to lose our field. No flying over the field workers on adjacent properties EVER!

All members are required to carry a first aid kit and fire extinguisher in their vehicles when flying. You never know when you or a fellow member will need some aid. Be prepared!! We strongly urge that no one fly alone.

TURBINE, IMAC and PATTERN MUST HAVE A SPOTTER WHEN FLYING!

Use of Club Facilities

You must be a member of our club or a guest to use our facilities. Members please have your membership cards with you when you fly. Guests (per the bylaws) are allowed to fly three times prior to joining but must have an active AMA membership. Guests and 72mhz flyers must have AMA on frequency board prior to flying!

The Hemet Model Masters will extend courtesy membership to any "Active Military" individual allowing them to fly at our club fields as long as they have a current AMA membership.

Retrieving Crashed Aircraft From the Aqueduct Near Our Main Field

Aqueduct Information for Retrieving crashed aircraft. Mike Thompson is the service representative that services the aqueduct near our main field. If your airplane is behind the second fence and not in the water runoff it is serviced by Mike Thompson. His direct line is 626-844-5610. Note: Before calling be nice and explain that you are with the Hemet Model Masters and that you have crashed you're rc plane beyond the second fence and would like to retrieve it without breaking any laws. If your plane is between the first and second fence it is serviced by another agency (Securitas Security), Mike Thompson can not help you. Hopefully this will help our members to retrieve their aircraft.
