.Reminder from the club President;

For 2019 Only; The club is offering Lifetime membership for \$600 to any member. It can be paid in two or three payments.

This offer is only available for 2019. January 1 of 2020 the cost of a Lifetime membership goes back to \$1,500.

We have two members who are now Lifetime members of the Hemet Model Masters.

Kevin McDonald who purchased his at the Jet Rally in January and Charles Lewis has also decided to become a Life member.

Thanks to both of you for helping the club.

Reminder: Please last one out at the fields, lock the gates.

Richard Lawrence

Club President

**BOARD MEETINGS 1ST MONDAY OF THE MONTH  
GENERAL MEETING 3RD SATURDAY OF THE MONTH**

**NEXT GEN MEETING MAR 23, 2019 9:00 AM AT AIR PARK**

The **Barnstormer** is the Official Newsletter of the Hemet Model Masters. It is published monthly for the benefit of its members. Copies are provided to interested individuals, local Hobby Stores and area RC Clubs. Portions of the Newsletter may be reproduced without the permission of the Hemet Model Masters. Acknowledgement of the author or source of the reprinted material is appropriate. Guest and prospective new members are always welcome at the General Meetings and the flying fields. Current Circulation is approximately 220 (email and hard copies included)

**HEMET MODEL MASTERS BOARD MEETING**

**Minutes for March 4, 2019**

**Meeting called to order by President Richard Lawrence at 7:02 pm. Board members present; Floyd Whitehorn, Stewart Robinson, Ralph Torres, Vincent Michael, Steve Staudenmeir, Eddie James, Jeff Barker and Dwayne Higgenbotham.**

**Mario Muniz was unable to attend the board meeting.**

**Old business; Need to spray weed killer when the weather clears a bit.**

**Richard Lawrence continues to move towards the proposed runway improvements.**

**Steve Staudenmeir is going to work on the website and will be sending out email blasts to the members with news updates from time to time.**

**Meeting adjourned at 8:45 PM  
Members Present 8  
Minutes submitted by Mario Muniz**

**HEMET MODEL MASTERS GENERAL MEETING**  
**Minutes for February 16, 2019**

**Meeting called to order by President Richard Lawrence 9:02 am.**

**Treasurer Stewart Robinson gave the Treasurer's Report. Motion to accept by Kevin McDonald and seconded by Steve Staudenmeir , voted and approved by all members present.**

**President Richard Lawrence called for a motion to approve last months minutes as published in the newsletter. Motion to accept by Eddie James and seconded by Vincent Michael, voted and approved by all members present.**

**Welcome to new member Bob Netherton. Silvio Sandvoss won the attendance raffle tickets.**

**Old business; Richard Lawrence talked about the spraying of the field and how its going to get better. Secretary Mario mentioned about the city employee who was going to question the spraying and how he managed to get him to help out the club.**

**Richard thanked those members who helped with the jet event which was a great success. Mario Muniz mentioned that the club will be having another jet event in June of this year. Richard Lawrence stated that the club will be having two jet events per year. He also explained the reason that the membership changed in total members after Feb 1. The discussion then moved to the ideas that have been proposed about the runway improvements. Richard Lawrence then went over the amount of money some other clubs have spent on improvements.**

**Jet Rally will be held June 6th-8th, 2019. Reminder to all members, when an event is being held at the field and it is for certain types of aircraft, aircraft that do not meet the event criteria are not allowed to fly.**

**The discussion then changed to the request by the US Scale Masters to possibly hold their National Championship at HMM.**

**The discussion then turned to the IMAC pilots being upset about not being allowed to do the rolling circles during their sequences and the fact that some of the turbine pilots are also getting to close to the road. The members present were asked if they would like to allow the sequence in question and they all voted no. No one should be flying that far out (measured at just about 1/2 mile). ALL Pilots must stay away from Simpson Rd!!**

**Meeting adjourned at 9:47 am Minutes submitted by Mario Muniz**  
**Total Attendance 19 persons**

*Hemet's Hobby Headquarters*  
**DYNAMIC HOBBIES**  
530 1/2 E Florida Ave. Hemet, Ca.  
**ONE OF THE LARGEST SELECTION OF AIRPLANE KITS AVAILABLE IN  
SOUTHERN CALIFORNIA**  
OWNER BOB PARCELL 951-925-9331 mel@netzon.net

**IMPORTANT NOTE**

All members are required to carry a first aid kit and fire extinguisher in their vehicles when flying. You never know when you or a fellow member will need some aid. Be prepared!! We strongly urge that no one fly alone.

**CLUB RULE: TURBINE,  
IMAC and PATTERN HAVE A SPOTTER WHEN FLYING**

**SELLERS CORNER**

### **Metropolitan Water District**

**Aqueduct Information for Retrieving crashed aircraft. Mike Thompson is the service representative that services the aqueduct near our main field. If your airplane is behind the second fence and not in the water runoff it is serviced by Mike Thompson. His direct line is 626-844-5610. Note: Before calling be nice and explain that you are with the Hemet Model Masters and that you have crashed you're rc plane beyond the second fence and would like to retrieve it without breaking any laws. If your plane is between the first and second fence it is serviced by another agency (Securitas Security), Mike Thompson can not help you. Hopefully this will help our members to retrieve their aircraft.**

### **FAA Guidelines**

- **All aircraft that are flown using a ground control system, such as a transmitter, are required to participate. This includes fixed-wing aircraft, not just multi-rotors or drones. • Any pilot flying models weighing between .55 pounds (or 250 grams) and 55 lbs is required to register. You only need to register once every 3 years. Per the FAA effective Feb 25, 2019 registration number must be affixed to the outside of aircraft.**

**[registermyuas.faa.gov](http://registermyuas.faa.gov)**

### **SAFETY REMINDER**

**We occupy property belonging to the City of Hemet and the County of Riverside, all Laws and Ordinances must be adhered to.**

### **ALCOHOL, DRUGS AND FIREARMS ARE STRICTLY PROHIBITED**

**Permanent TFRs issued for major sporting events and Disney properties**

**On October 27, the FAA issued three Permanent Temporary Flight Restrictions (TFRs) creating restrictions for the airspace surrounding major sporting events and the Disney properties in Anaheim CA and Orlando FL. The new flight restrictions permanently prohibit the operation of unmanned and radio-controlled model aircraft within roughly 3.5 miles of both the Disneyland and Walt Disney World theme parks. The restrictions are also in place for a period of one hour before and one hour after major sporting events.**

## SHOW & TELL

Kevin showed us his new 4-Star electric plane

Mario brought in his new Viper and his new transmitter box

Stewart showed us his new HSD Fuel can

**Turbine Waiver**

**Flying 8:00 AM to 5:00 PM**

**Night Flying After 5:00 PM Electrics Only**

**Camping on Site No Hook Ups**

## **SAFETY AT THE FLYING SITES**

**PLEASE ADHERE TO CLUB SAFETY POLICIES, THESE WERE PUT IN PLACE BY YOU THE MEMBERS AND A FEW OF YOU CONTINUE TO IGNORE THEM.**

Starting of any engines is north side of yellow line, aircraft facing runway. No taxiing in the pits and staying within established perimeters, exceeding 400 ft ceiling. We have full scale aircraft overhead all the time and it only takes ONE incident to lose our field. No flying over the field workers on adjacent properties EVER!

### **SAFETY REMINDER**

We occupy property belonging to the City of Hemet and the County of Riverside, all Laws and Ordinances must be adhered to.

### **ALCOHOL, DRUGS AND FIREARMS ARE STRICTLY PROHIBITED**

**Failure to follow these rules by any member can lead to suspension and or expulsion from the Hemet Model Masters**

We enjoy having members and their families with them when at the flying fields. However we must be aware that we deal with a hobby that is costly and dangerous. Only RC pilots are to be in the pits, spectators must remain south of the yellow line unless accompanied by a club member. Children running and playing around aircraft is not acceptable and they can be injured. We don't wish to offend anyone but we must consider safety our number one priority.

On another note, members think about your choices of attire when flying.

Loose clothing, lanyards, sandals. These items can get caught in a spinning prop and cause injury to you and damage your aircraft. A member recently dropped his aircraft while carrying it out to the taxiway and the prop did a number on his toes, probably wouldn't have been a problem if wearing shoes. This is a subject that will be addressed in the future.

**The Hemet Model Masters  
March Birthdays**

**Ray Gould, Dennis Kenyon, Jim McCarty,  
Steve Nelson, Howard Pilcher,**

**We would like to welcome our newest  
members to the Hemet Model Masters**
